RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement mailed January 28, 2004, applicant hereby elects the invention of Group I, Claims 1-4. This election is made **with traverse**.

It is respectfully submitted that the subject matter of all of claims 1-13 is sufficiently related that a thorough search for the subject matter of any one group of claims would encompass a search for the subject matter of the remaining claims. Thus, it is respectfully submitted that the search and examination of the entire application could be made without serious burden. See M.P.E.P. § 803 in which it is stated that “[i]f the search and examination of an entire application can be made without serious burden, the examiner **must** examine it on the merits” (emphasis added). It is respectfully submitted that this policy should apply in the present application in order to avoid unnecessary delay and expense to applicant, and duplicative examination by the Patent Office.

No fee is believed to be required. Nonetheless, should the United States Patent and Trademark Office determine that a fee is required, authorization is given to charge our Deposit Account No. 19-0733.

Respectfully submitted,

Christopher L. McKee
